Re Japan's social security system:

Re Social Insurance: Generally, Health, Nursing Care and Employees' Pension Insurances are referred to collectively as "social insurance."

Re Labor insurance: Generally, Workers' Accident Compensation Insurance and Employment Insurance are known collectively as "labor insurance,"

The Co. must enter these insurance systems at the time of hiring first staff or paying salary to local resident "Executive Officer(s)" by submitting labor and social insurance notification forms to the relevant authorities.

Re Individual / Personal Income Tax: It is mandatory for the Co. to deduct withholding income tax from salary of staff & local "Executive Officer(s)" and follow the procedure as per local regulation including making payments.

Corporate Annual Tax return and tax payment

The Co. must file annual tax return for corporate tax, corporate inhabitant tax and enterprise tax on their income within two months from the day following the last day of each financial year.

Consumption tax: Self assesment and payment as per the local regulation. Tax-exempt enterprises: Corporation whose taxable sales in a fiscal year less than 10M yen. Current tax rate is 8%
