

Why Set Up a Company In Japan?

Opening a Japanese Company by "Non-Resident." (Promoter/Director)

Japan is one of the World's most significant countries in terms of the economic scale. It offers attractive and extensive opportunities to entrepreneurs and foreign companies looking to build a business network or break into the Asian market.

Japan provides a level playing ground for foreign investors. Most foreign companies have observed that setting up and doing business in Japan is straightforward.

Japan offers an attractive market and extensive business opportunities!

Japan is the home of many World's Top Companies, and many multinational companies have their presence in Japan.

Having a presence in Japan is a status for a company to do business in the world market(s)! It gives a "Brand Image."

Japanese sophisticated Consumers with High Purchasing Power and Discerning Tastes allow a company to improve their product(s) or service(s) offered to international consumers!

A presence in Japan is almost a must factor to cater to Japanese consumers!

In the present competitive and borderless World, Japan offers more than ever a level playing ground to foreign companies compared to the past!

Foreign companies doing proper research will find that administrative and legal matters for doing business in Japan are sometimes more uncomplicated than in their home country (depending upon the foreign company's nationality). With the proper professional assistance, "Setting Up Company, Administrative Operation & Doing Business in Japan" is quite a simple and not a very difficult task, as many foreign companies might perceive it!
